

**NOMINATION FORM
FOR ROYAL SOCIETY OF NEW SOUTH WALES
DISCIPLINE AWARDS AND LECTURESHIPS**

The Royal Society of NSW Discipline Awards recognise distinguished research in an array of disciplines and fields and that has been conducted mainly in New South Wales. They are made in a three-yearly cycle, Years A, B and C, with Year A Awards commencing in 2023, Year B in 2024 and Year C in 2025.

Where appropriate, Discipline Awards may recognise teams as well as individuals. Nominators are welcome to consult the Society for guidance before making a team nomination, noting that for a medal, only one physical medal is presented.

For Awards with Lectureships, winners are expected to publish their Lecture in the Society's Journal. For Awards without Lectureships, winners are invited to submit a review or other article about their work to the Society's Journal.

Nominations for all available Awards open on 1 July each year and close on 30 September. Awardees are announced by the end of that calendar year with formal presentations of their Awards in the following year. All nominations require a nominator and a seconder who need not be Members of the Society. Recipients may be resident in Australia or elsewhere and shall not have won a previous RSNSW Discipline Award for their work in the same discipline. All Awards are assessed relative to opportunity.

Each nomination must comply with the conditions of award and will consist of a completed nomination form together with supporting documentation as specified on the form.

To submit a Nomination, please add a 100 word summary, the required curriculum vitae, and two letters of nomination and support. Please combine the components into a single PDF and email to awards-nominations@royalsoc.org.au by 30th September in the year of nomination.

YEAR B AWARDS

Royal Society of NSW Pollock Award and Lectureship in the Physical Sciences and Mathematics

Awarded for distinguished research in any area of the Physical Sciences and Mathematics, excluding the Chemical and Earth Sciences, conducted mainly in New South Wales. Recipients may be resident in Australia or elsewhere.

The Pollock Memorial Lectureship was first awarded in 1949, sponsored by The University of Sydney and the Society, in memory of J. A. Pollock, Professor of Physics at the University of Sydney (1899-1922) and a member of the Society for 35 years. In 2023, Council designated it the Royal Society of NSW Pollock Award and Lectureship.

Royal Society of NSW Poggendorff Award and Lectureship in Agricultural and Environmental Sciences

Awarded for distinguished research in any area of the Agricultural and Environmental Sciences, conducted mainly in New South Wales. Recipients may be resident in Australia or elsewhere.

The Poggendorff Award and Lectureship honours Walter Poggendorff, an eminent biologist and noted plant breeder in the 1930s and 40s, and his bequest to the Society to support a Lectureship. It was first awarded in 1987 and in 2023 Council designated it the Royal Society of NSW Poggendorff Award and Lectureship.

Royal Society of NSW Award in the Humanities, Philosophy and Law

Awarded for distinguished research in any area of the Humanities, Philosophy and Law, excluding the History and Philosophy of Science, conducted mainly in New South Wales. Recipients may be resident in Australia or elsewhere.

Council established the Royal Society of NSW Humanities, Philosophy and Law Award in 2023 to reflect the full scope of the Society's founding values.

Royal Society of NSW Interdisciplinary Award

Awarded for distinguished research which spans across disciplines, conducted mainly in New South Wales. Recipients may be resident in Australia or elsewhere.

Council established the Royal Society of NSW Interdisciplinary Award in 2023 to reflect the full scope of the Society's founding values.
